Aveos/ Air Canada Transition update

Dear Brothers and Sisters:

Your Union and the employers met on May 10, 2010 in Montreal to continue talks that revolve around the pending transition of our members from Air Canada to Aveos. Out of the last meeting over a year ago, there were 63 outstanding issues to be dealt with. Fifteen (15) of those items were reviewed and answered with some issues being referred to arbitration.

The parties have reached an agreement in principle on the following items:

- Members that are permanently laid off to the street, during the transition period, will receive a Modified Recall Form that will give them another opportunity to reselect their points of recall. However, this agreement needs to be finalized and signed.
- Meetings will continue in an effort to resolve these outstanding issues. Our next scheduled meeting date is June 2, 2010 in Montreal.
- Other meetings will be scheduled in the future to deal with the next steps to transition, which will include Local Lodge Presidents along with the committee of General Chairpersons.

We will keep you informed as these meetings occur.

In solidarity,

Fred Hospes, Tony Didoshak & Gary Sinclair
General Chairpersons
