## **ATTN: ALL MEMBERS AT AIR CANADA **TMOS****

We have been working with Data on the Spot to conduct an upcoming online vote. The Canada Labour Code Section 87.3 states that a strike vote must be taken within **60 days** of going on strike. Therefore, over the coming weeks we will be taking a strike vote or a strike vote/tentative agreement vote (depending on what happens with the company). We will be in a legal strike position on **July 21, 2026**. We will need to prepare for this.

Registration is now open with **Data on the Spot**. You can register with the QR code below. The registration period will be from **Monday July 6, 2026 at 12:00 Eastern** and close **Monday July 13, 2026 at 21:00 Eastern**. No registrations will be accepted after this deadline. As a note, you **cannot** register with your Air Canada email. Any registration with that email will be rejected.

If you have any issues with regards to the registration process you can contact Data on the Spot directly at [credentials@dataonthespot.com](mailto:credentials@dataonthespot.com) for assistance.

Please be guided accordingly.

Your Negotiations Committee
